Canadian Member of
Parliament for
Yorkton-Melville (SK)

Dr. Kiely Williams

BSc. MD. LMCC. CCFP
Medical Director
Advanced Primary Care

Elyssa Koren

Director of UN Advocacy,
ADF International

Speaking from their diverse backgrounds and expertise, guest panelists will address sex-selective abortion as a form of discrimination and violence that denies women and girls their right to life and their full and effective participation in public life.

In order to safeguard the inherent dignity of women and girls, nations must eliminate the discriminatory practice of sex-selective abortion through effective policies and legislative efforts.
