

*Petition to the Trustees of the Louis Riel School Division*  
***Anti-Democracy School Trustees Must Resign***

**Whereas**, a group of trustees effectively undid the results of a democratic election and circumvented democracy by “un-electing” Trustee Francine Champagne by conducting a persecution campaign of repeat suspensions and vilification until she was forced to resign her seat;

**And whereas**, in doing so, these trustees robbed LRSD parents and voters of their right to hire, fire or re-hire their elected representatives every four years at election time, as they see fit;

**And whereas**, Trustees Sandy Nemeth, Chris Sigurdson, Darlene Gerrior, Pamela Kolochuck, Irene Nordheim, Ryan Palmquist, Chipalo Simunyolam, and Cindy Turner disgracefully nullified the results of a democratic election by weaponizing the school district’s Code of Conduct policy against Trustee Champagne in order to silence her and force her out of office;

**And whereas**, this anti-democratic action by the eight trustees is tantamount to disenfranchising voters, rendering their ballots meaningless, and attacking the very essence of democracy;

**And whereas**, the only individuals who should be allowed to fire a trustee if they don’t like her job performance are the voters themselves, at the next election;

**And whereas**, these Trustees were so brazen in their assault on democracy because they wanted to silence a traditionally-principled Trustee who was doing the job her constituents elected her to do, which is to safeguard the school environments of their children and grandchildren, which is being poisoned and the children themselves endangered by indoctrination with Gender Ideology in the classroom;

**And whereas**, these eight trustees forsook their duties as Trustees, when they should have joined Trustee Champagne in calling out Gender Theory brainwashing in public schools, instead of persecuting her for it;

**Therefore, we the undersigned, demand that Trustees Sandy Nemeth, Chris Sigurdson, Darlene Gerrior, Pamela Kolochuck, Irene Nordheim, Ryan Palmquist, Chipalo Simunyolam, and Cindy Turner resign immediately from their positions as trustees with the LRSD.**
